

PCPN# FY04-09 - Purchase Card Program - Unauthorized release of information

Note: Level 3 APCs - IT IS YOUR RESPONSIBILITY TO GIVE THIS NOTICE WIDEST DISSEMINATION TO PROGRAM PARTICIPANTS TO INCLUDE: APCs, AOs AND CHs IN YOUR HIERARCHY.

The attached has been received by numerous Government Purchase Card cardholders. It is NOT an official request for information and it is probably an attempt to compromise DOD accounts. DOD PCPMO has forwarded it to the DOD IG and various criminal investigative agencies for their action.

Immediately pass this to all participants of the GCPC program with the notification not to complete the questionnaire. It should be deleted immediately. In the event a cardholder has mistakenly completed and submitted the form, that account must be suspended as soon as possible. Also, a 100% review of all activity must occur prior to invoice certification on these compromised accounts. We must take all necessary action to protect the Government's liability.
